

# **FISCAL NOTE**

## **HB 2289 - SB 2425**

February 27, 1998

**SUMMARY OF BILL:** Provides that a municipality may exercise the power of eminent domain to establish a landfill outside its corporate boundaries *only* if the governing body of the area in which the landfill is to be located approves such action by a 2/3 vote at two consecutive, regularly scheduled meetings. Current law provides that eminent domain may not be exercised outside the corporate boundaries of a political subdivision without the affected government's consent.

### **ESTIMATED FISCAL IMPACT:**

#### **Increase Local Govt. Expenditures - Less Than \$100,000**

Assumes that, to the extent that the affected government does not give its consent for such exercise of eminent domain, the municipality would be required to relocate the project at a site that may not be as economically feasible. It is assumed that the additional cost to the municipality would be less than \$100,000.
